Chalet Rossin

When you arrive in Les Gets centre you will need to follow signs for the district of La Turche. The lake is also signposted the same way. When you get to a fork in the road take the right hand road over the bridge as opposed to the left hand one to the lake. Keep going up this road until you arrive at the hamlet of La Turche and a sports shop called 'Phillipe Sports'. The chalet is across the road from the sports shop (the side of the road closest to the piste) and we are on the ground floor of the three-storey building.

Turn right then almost immediately there is a very sharp hairpin bend to the left signposted AVORIAZ. Follow this road for about 2Km. Go straight over the mini roundabout with an old mining wagon on it, through the Hamlet of Les Meuniers to the Hamlet of Les Crets. The apartments "Les Crets" are the last building on the left by the old quarry entrance. The apartment is the middle one on the top floor (entrance up the stairs to the rear of the property).

At the end of this road you will reach a roundabout with the Sporting Hotel in front of you. The road you are looking for is not the main road at this point. It is the road that goes to the left hand side of the hotel as you look at it, signposted 'Samoens - Route Ete'. The road will take you around the back of the Sporting Hotel and over a bridge. Follow the road up the hill for a couple of minutes and until you see the sign signalling the end of Morzine. The chalet is on the left after 50m.
